ŠKODA
SIMPLY CLEVER

YOUR DRIVE. YOUR EXPERIENCE. YOUR ŠKODA SCALA.

A new perspective. A new kind of drive. The elegance and innovation you've come to expect from ŠKODA, made brand new.

With the ŠKODA SCALA every detail has been reexamined, reimagined, and refined to be better than ever. It's a slick, dynamic vehicle that marries clever design with driver-friendly simplicity.

And with ŠKODA Genuine Accessories, it's also one that can be tailored to your specific tastes. You can personalise your car with sporty wheels and other extras, or maximise your comfort and utility with intelligent transportation. Enjoy your ride, your way.

The ŠKODA SCALA honours our traditions while blazing a bright new trail. It's a car that reflects the individuality of whoever's behind the wheel: carrying you through the world with confidence and style – wherever you choose to go.

CONNECTIVITY

MyŠKODA

ŠKODA CONNECT AND OTHER DIGITAL SERVICES IN YOUR POCKET

Driving your ŠKODA isn't just about driving. It's the functions, the features, and the personal touches that add up to a brilliant experience. It's the music you play on the way to your destination. It's the security of knowing that great support is never more than a few taps away. Your ŠKODA vehicle is your everyday companion – and thanks to MyŠKODA application you can go even further in interaction with your vehicle.

Use the application to remotely check the status of the vehicle, lock or unlock it, or display its parking position. Benefit from statistical insights into your last trip, and use them to plan a more efficient route next time. It offers also insight to the vehicle manual, quick tips for using the vehicle and its accessories or possibility to interact with your preferred service partner, with a number of further functions just waiting to be explored.

With MyŠKODA application in place, your car remains under your control at all times. The application is available for download on App Store (iOS) and Google Play (Android). ŠKODA Connect features are available based on ordered service bundle: Infotainment Online or Care Connect.

QUALITY & TESTING

PREFER QUALITY? CHOOSE ŠKODA GENUINE ALLOY WHEELS

Independent comparative tests between Genuine and non-original Alloy Wheels were done by an independent institution. The tests include: Driving, Surface, Material, Axial and Radial, Radial Impact.

ALLOY WHEELS
VIDEO

WATCH TESTING
VIDEO ONLINE

CHILD SEATS SAFETY TESTING

Do you want to ensure the maximum safety of your children in the car? The child seats from ŠKODA Genuine Accessories with mounting options for transporting against the direction of travel, comfort and variability, represent the best solution for transporting the smallest passengers.

**Practical
and variable**

**Perfectly
verified**

QUALITY THAT HOLDS AND LASTS

Textile floor mats undergo the heel test that stimulates the action of the driver's foot on the accelerator. Also undergo the load test that stimulates a long driving test.

ŠKODA Genuine Accessories are offered by ŠKODA as optional extras at additional charges. Colours, designs and materials may differ from those in the illustrations. Information such as specifications, appearance, performance, dimensions, weight, fuel consumption and operating costs relating to the illustrated vehicles and products is based on information available at the time of printing this document, and ŠKODA AUTO reserves the right to change these data. Correct rim and tyre size combinations are available in the Registration Certificate and/or from your dealer. When choosing snow-chains, make sure to follow the indication in your car's certificate of roadworthiness. Wheels depicted on the cars may not be part of the available range.

Please contact your ŠKODA Partner for information as to which products are available and suitable for your model, what restrictions apply, the installation times required and costs. Subject to change without notice.

Vehicle parameters such as weight, rolling resistance and aerodynamics may vary depending on additional equipment and accessories (attachments, tyre sizes, etc.) and may, together with weather, traffic conditions and individual driving styles, affect fuel consumption, electricity consumption, CO₂ emissions and other performance parameters. ŠKODA Genuine Accessories are not used to determine consumption and emission levels, and can therefore only be fitted after the vehicle's first registration.
